A Message from our Executive Director: Felicia Tittle

Dear Duke Rec & PE Members,

I would like to reiterate the messages shared by President Price and Dr. White regarding the recent occurrences of racial and social injustice throughout our country. Please know that Duke Rec & PE is committed to creating an environment of inclusion, diversity, and equity where everyone is welcome. During this time of uncertainty and distance, we hope to provide a unified place of community to encourage positive well-being for all members.

Thank you for being a part of this inclusive and diverse community.

Felicia Tittle
Executive Director of Recreation & Physical Education
Update on Reopening the Recreation Centers and Membership Renewals:

We are currently working with university administration regarding the most appropriate reopening plan for our recreation facilities. The safety of our members is our main goal and we are diligently working to create the best plan and protocols for our facilities once we are able to reopen our doors. Due to the uncertain dates for reopening we will not have the typical member renewal period that was slated to occur June 15th through July 15th. Please continue to look for communication from Duke Rec & PE on our website, social media channels (@dukerec), and through email communication regarding our reopening and member renewal process.

Meet our Duke Aquatics Management Team:
Coordinator of Aquatics: Thomas Rathbun

Position:
Coordinator of Aquatics

Time at Duke:
1 year

What is your favorite part of working in the aquatics industry:
I love aquatics because it is such a tight knit community and you get to work with so many different people

What is your favorite activity outside of work
Flying

What is your favorite food
BBQ

If you had 1 day to live over again what would it be and why
It would be the last day of the Big Ten Championship Swim Meet my Senior year at Iowa. It was the culmination of a lot of hard work with my closest friends and teammates.
